

Congress of the United States
House of Representatives
Washington, DC 20515

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Heartland Expressway, Phase III, in surface transportation reauthorization legislation. The project sponsor for this project is the Nebraska Department of Transportation and the project is located between Minatare and Alliance, Nebraska. The funding is designated for construction to expand the highway from two lanes to four. The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: reduced travel time, reduced accidents, and increased economic activity in the corridor. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ADRIAN SMITH
Member of Congress
