Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for two sewage lift station upgrades serving Beatrice, Nebraska, in fiscal year 2024. The entity to receive funding for this project is the City of Beatrice, located at 400 Ella Street, Beatrice, NE 68310. The funding would be used for to make improvement to two sewer lifts which operate as part of the community's sewage treatment system. The project is an appropriate use of taxpayer funds because it will help the community meet Clean Water Act standards.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

ADRIAN SMITH
Member of Congress
