Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for a water main project serving Falls City, Nebraska, in fiscal year 2024. The entity to receive funding for this project is the City of Falls City, located at 2307 Barada Street, Falls City, Nebraska, 68355. The funding would be used for to replace a 4,900-foot stretch of sewer main built in 1971. The project is an appropriate use of taxpayer funds because it will help the community meet Clean Water Act standards.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

ADRIAN SMITH
Member of Congress
