Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for a fire department building serving Creighton, Nebraska, in fiscal year 2024. The entity to receive funding for this project is the Creighton Volunteer Fire Department, located at 603 Redick Ave., Milligan, NE 68406. The funding would be used to build a new building for the community's fire and emergency medical services. The project is an appropriate use of taxpayer funds because it provides a community building through USDA.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

ADRIAN SMITH
Member of Congress
