The Honorable Tom Cole
Chairman
House Committee on Appropriations
U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Stormwater Management (Ewing, NE) in fiscal year 2025. The entity to receive funding for this project is the Village of Ewing located at P.O. Box 333, Ewing, NE 68735. The funding would be used to address stormwater management issues with lead to flooding and affect water quality in the community. The project is an appropriate use of taxpayer funds because it meets the parameters of the authorized account and would help the community meet its obligations under the Clean Water Act.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Adrian Smith
Member of Congress
