The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hordville Well Replacement project in fiscal year 2025. The entity to receive funding for this project is the Village of Hordville located at 110 Main Street, P.O. Box 16, Hordville, NE 68846. The funding would be used to replace one of the community's two aged well. The project is an appropriate use of taxpayer funds because it meets the parameters of the authorized account and will ensure continued access to clean drinking water which meets federal standards.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Adrian Smith  
Member of Congress
