The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Water Storage Facility (Wolbach, NE) project in fiscal year 2025. The entity to receive funding for this project is the Village of Wolbach located at P.O. Box 97, Wolbach, NE. The funding would be used to replace the community's failing water storage facility with a new, sealed above-ground facility. The project is an appropriate use of taxpayer funds because it meets the parameters of the authorized account and will assist the community with its legal obligations.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Adrian Smith  
Member of Congress
